

TASTING NOTES

2024 Pinot Noir

The fruit for this wine was handpicked from our estate plantings. The wine was fermented using wild yeasts indigenous to our vineyard. The cool 2024 season has produced a beautifully balanced wine with a long, seamless palate and fine tannins. It will develop further in the bottle over the next five years or so.

- Colour:** Black cherry with touches of crimson
- Bouquet:** Black plum with a touch of pepper, earth, forest floor, herbal and spicy French oak
- Flavour:** Black plum and cranberry with pomegranate, rhubarb, a touch of black tea and spicy French oak
- Texture:** Beautifully balanced with good acid and soft tannins carrying through to a long seamless finish
- Alcohol:** 13.2 %
